Late Submission of AFS (Annual Financial Statements) 2015/16

This serves to notify the Department that Magareng Local Municipality will not be able to submit the Annual Financial Statements for 2015/16 by the 31st August 2016.

This is due to the challenges experienced by the Municipality with regard to changes or instability within the management positions.

It was indicated during the discussions between the Municipality and the service provider that it would take about three to four months to produce credible Grap Compliant Annual Financial Statements hence the need for late submission. . Therefore the Municipality commits itself to submit by the 30 November 2016.

Yours Sincerely

.....
Mrs. KG Gaborone
